SECTI	ON 4: First aid measures				
4.1 4.1.1	Description of first aid measures				
4.1.1	<ul> <li>Inhalation:</li> <li>Move to fresh air in case of accidental inhalation of fumes from overheating or combustion.</li> <li>If symptoms persist, call a physician.</li> <li>Skin Contact:</li> <li>Wash off immediately with soap and plenty of water.</li> </ul>				
4.1.3	Consult a physician if necessary. <b>Eye Contact:</b> In case of eye contact, remove contact lens and rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. If symptoms persist, call a physician.				
4.1.4	Ingestion: Clean mouth with water and afterwards drink plenty of water. Do not induce vomiting. Obtain medical attention.				
4.2	<b>Most important symptoms and effects, both acute and delayed</b> Repeated or prolonged exposure may cause skin irritation and dermatitis, due to degreasing properties of the product. Repeated or prolonged exposure may cause irritation of eyes and skin. Inhalation of vapours in high concentration may cause irritation of respiratory system.				
4.3	Indication of any immediate medical attention and special treatment needed Treat symptomatically.				
	ON 5: Firefighting measures				
5.1 5.1.1	Extinguishing media Suitable Extinguishing Media: Use dry chemical, CO <sub>2</sub> , water spray or "alcohol" foam.				
5.1.2 5.2	Extinguishing Media to Avoid: None. Special hazards arising from the substance or mixture				
5.3	In the event of fire carbon oxides may be formed. Advice for firefighters				
5.3.1	Special Protective Equipment: Wear positive pressure self-contained breathing apparatus. Wear full protective clothing.				
5.3.2	Additional Information: In the event of fire, cool tanks with water spray. Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations.				
	ON 6: Accidental release measures				
6.1	Personal precautions, protective equipment and emergency procedures See chapter 8.2.2				
6.2	<b>Environmental precautions</b> Do not allow material to contaminate ground water system. Do not flush into surface water or sanitary sewer system. Local authorities should be advised if significant spillages cannot be contained.				
6.3	Methods and material for containment and cleaning up Soak up with inert absorbent material. Shovel into suitable container for disposal.				
6.4	Reference to other sections None.				
SECTI	ON 7: Handling and storage				
7.1	Precautions for safe handling				
7.1.1	Precautions for Safe Handling: Do not breathe vapours or spray mist. Avoid contact with the skin and the eyes.				

Safe	ty Data Sheet in	n Accordance with reg	gulation 453/2010	Page 3 of	
		aces Data Sheet of: 24.02.2015 evious version; n.ap. = not applicab	le; n.av. = not available	Immer einen "cm" vorausl KEPPP MARKIERUNGEN	
7.1.2 7.2 7.2.1	When using, do not eat, drink or smoke. Remove and wash contaminated clothing before re-use. Wash hands before breaks and at the end of workday. <b>Precautions in Case of Fire and Explosion:</b> Keep away from sources of ignition - No smoking. Take measures to prevent the build up of electrostatic charge. Preparation may charge electrostatically: always use earthing leads when transferring from one container to another. <b>Conditions for safe storage, including any incompatibilities</b>				
	Storage Instructions: Keep in an area equipped with solvent resistant flooring. Avoid subsoil penetration. Store in original container. Keep containers tightly closed in a dry, cool and well-ventilated place.				
7.2.2 7.2.3	Store away from: Do not store together w Further Information of	n Storage Conditions:

## Safety Data Sheet in Accordance with regulation 453/2010

Date of issue: 19.05.2015 Replaces Data Sheet of: 24.02.2015 "\*" alterations as compared to previous version; n.ap. = not applicable; n.av. = not available

EUH066: Repeated exposure may cause skin dryness or cracking.

H226: Flammable liquid and vapour.

H336: May cause drowsiness or dizziness. This datasheet has been compiled in accordance with EU regulation 453/201.

The statements in this Material Safety Data Sheet were made to the best of our knowledge and are as accurate as possible. They are given for information only. They do not constitute a contractual guarantee of a product's properties. They must neither be altered nor transferred to other products.
